

2019 NBA Finals Square Pool

- There is a 100 square grid, each square will be 100. For a total of 10,000.
- After all the squares have been completely sold, the numbers will be randomly drawn.
- The same numbers will be used for ALL GAMES in the Finals!
- The Finals start on Thursday, May 30th.
- The last digits of the final score of each game will be used to determine the winning squares (Example Bulls 114 Warriors 128 Winning square is Bulls 4 Warriors 8.)
- This format makes it possible to win multiple games with the same numbers.

Since the Series could end after Game 4, the remaining balance will go to final game of the Series.
